I am writing to recommend Ellen Mazer, of Ellen Mazer Consulting, Inc., an applicant of the Georgia Center for Nonprofits' consulting service.

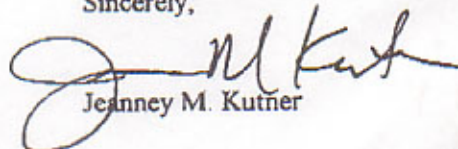

I have known and worked with Ellen Mazer for 10 years and know the excellent work she consistently produces. For this reason, I hired her conduct a workshop on leadership development for the Arnovitz Leadership Institute, which I chair at the Ahavath Achim Synagogue.

For the Arnovitz workshop, Ellen led a discussion of leadership opportunities, obstacles and ways to be successful leaders in the synagogue. The responses that she elicited have been given to the synagogue staff and various committees and some of the group's recommendations have already been implemented. I was so very pleased at the level of participation and enthusiasm from the group in working through the exercises.

It was a pleasure working with Ellen. She met with me early on, made a draft outline to be sure that her ideas conformed to my expectations, made changes where requested, and worked well with the group. Her strengths include her thorough knowledge about her subject, her enthusiasm, and the ease with which she performed all her tasks. I would re-engage her at any given opportunity.

Please feel free to contact me if I can be of further assistance:
